CILT

International Diploma
in Logistics and Transport

Program Jointly Offered by UIU & CILT, UK

**UNITED
INTERNATIONAL
UNIVERSITY**

IBER of UIU

United International University (UIU) is one of the leading private universities of Bangladesh. It was established in the year 2003 with a motto of "Quest for Excellence." By this time UIU is being recognized as a quality education provider. The Institute of Business and Economic Research (IBER) of UIU is established with the mandate to promote and foster research, training, seminar, symposium, workshop and certificate & diploma programs. Its main objective is to connect UIU with the corporate world.

CILT, International

The Chartered Institute of Logistics & Transport is the leading professional body with an established international pedigree. With over 30,000 members represented in 31 countries in five continents, CILT holds unparalleled professional international recognition. The institution was formed in the UK in 1919 and received the Royal Charter in 1926. The principal objective of the Institution is to promote and encourage the art and science of supply chain, logistics and transport aimed at progressing the knowledge, competence as well as the careers of logistics and transport professionals worldwide.

CILT Train the Trainer Program 2014,
Conducted by Dr. David Mauger, CILT, UK

CILT International Diploma in Logistics and Transport

There is a significant gap in the market for professional qualifications in logistics and transport in Bangladesh. Institute of Business and Economic Research (IBER) of United International University (UIU) launched international diploma program to fill that gap in collaboration with Chartered Institute of Logistics and Transport (CILT), International – UK.

CILT International Diploma is a career oriented specialized professional degree program designed and the certificate is awarded by CILT, International – UK.

Importance of the Program

The CILT International Diploma in Logistics and Transport is a **freestanding qualification**, designed to provide a sound foundation for a career within the transport and supply chain fields. Lifelong learning and a commitment to Continuing Professional Development is at the core of CILT, with a focus on maintaining professional standards across the logistics and transport sectors.

Professional qualifications from the CILT will not only increase knowledge of logistics and transport but will also develop management skills and demonstrate personal abilities to prospective employers.

Why Choose CILT International Diploma?

- The certificate is awarded by CILT, International – UK.
- The Institute's qualifications are recognized internationally as a sign of knowledge and reliability.
